and Color Guard Boosters*

Cascade High School Band Boosters would like to offer you an opportunity to participate in our upcoming Puget Sound Festival of Bands, the premier marching band event in our area. This is a great advertising opportunity for your company and/or business!

On October 25, 2025, the Cascade High School Band and Color Guard Boosters will be holding their 37th annual marching band competition. Marching bands and color guards of all sizes, from all over the state and Pacific Northwest, travel to Everett Memorial Stadium to compete in this prestigious event. This is the main fundraiser for our Band and Color Guard Booster organization and proceeds from this event make it possible for the Boosters to purchase and repair band equipment, fund uniforms, and fund travel and competition expenses for all bands and the color guard at Cascade including the wind bands, jazz band and percussion ensemble.

Your support makes it possible for students to participate in our award-winning marching and other band programs. Each fall our Marching Band and Color Guard participates in several marching festivals and competitions in Washington and Oregon. Our Bands and Color Guard have attended music festivals and competitions across the United States and around the world receiving high ratings and awards from judged events. Such experiences teach invaluable lessons of dedication, teamwork, punctuality, and responsibility. Your support of our festival will help our young musicians continue to gain the benefits of such opportunities. Your donation is greatly appreciated!

The Cascade High Band and Color Guard Boosters is a non-profit organization, Federal Tax ID # 91-1701885, 501 (c) (3) and all donations are completely tax deductible.

Please accept our thanks in advance.
